

Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., May 28, 1884.

Sir:

Referring to your letter of May 14th requesting authority to advertise for proposals for twenty thousand lbs of copper for minor coinage, I have to state, that owing to the accumulation of these coins in the Treasury, the question of the suspension of this coinage is now under consideration, and until a decision has been arrived at I have thought it best that proposals for copper should not be

invited for the present.
